Upcoming Events

100th Day School Celebration – January 31, 2020

The 100th day celebration will be held on Friday, January 31. Although teachers and staff will have their own activities, the PTO will have an opportunity to contribute as well. So what's needed:

*Ideas and execution; perhaps the PTO could contribute 100 items to each class (e.g., pieces of candy, pretzels, cupcakes etc.)

***We need to have volunteers at our next meeting (January 16, 2020) to plan and execute this event.**

*We also need ways to publicize this event so that parents/guardians know what to expect.

Valentine's Day – February 14, 2020

What are we doing for our Sweethearts (students) at BBA? Will we have Valentines for Veterans?

Notably, in the past, Mr. Craig enlighten the PTO that students in past years have created/bought some token of appreciation and presented it to Veterans at the VA hospital. At our next meeting (January 16, 2020), will also need plan this event (if we decide to do something for our Veterans).

Phone-A-Thon

This idea was presented at our last meeting and proved itself to be fruitful. I (Mrs. Smiley) was able to reach out to parents in Mrs. Covington's class and we had a new parent attend the PTO meeting, YAY. So, if you were the designated person for a particular class, please reach out to parents to attend the NEXT PTO MEETING **JANUARY 16, 2020.**
